

DEV DESH PRATISHTHAN

Dedicated Towards Healthy Nation

Annual Report 2021 – 22

Vision : Dev Desh Pratishthan envisions Healthy and empowered Individuals, Communities and Nation

Mission : To make human settlements equitable living environments where all residents and vulnerable people have access to health, education, essential services and livelihood options, irrespective of their economic and social status.

ABOUT US: DEV-DESH PRATISHTHAN

A Decade of Commitment to Community Well-being

Established in 2010, *Dev-Desh Pratishthan* is a registered public trust under the Trust Act of 1950, dedicated to creating lasting impact through healthcare, education, environmental protection, and empowerment initiatives. Founded by Dr. Vaibhav Ramesh Rao Deogirkar, a committed social reformer and healthcare professional, the organization was conceptualized by visionary Mr. Ram Manohar Deshpande to serve the underserved communities of Mumbai and surrounding rural areas.

For over a decade, Dev-Desh Pratishthan has been delivering **free and accessible medical services** to marginalized populations. At a time when medical costs are rising and many are forced to forgo treatment due to financial constraints, our foundation steps in with **emergency financial aid and critical healthcare support**, ensuring that no one is left behind due to unaffordability.

We take a **holistic approach to social transformation**, striving for overall community development. Our primary focus areas include:

- **Healthcare:** Free medical camps, preventive health programs, and health education in underserved rural and tribal communities.
- **Education:** Support for literacy and learning through scholarships, school kit distribution, and awareness drives.
- **Environment:** Initiatives for sustainable living and environmental preservation to secure a better future.
- **Women Empowerment:** Projects aimed at enhancing women's health, education, livelihood, and leadership roles.
- **Sustainable Development:** Community-based programs designed to build resilience and long-term well-being.

Our work is grounded in the belief that **dedication, compassion, and collaboration** among individuals and organizations are vital for meaningful change. We continuously seek **partnerships and networks** with like-minded institutions, professionals, and volunteers who are equally committed to building a more **equitable and healthier society**.

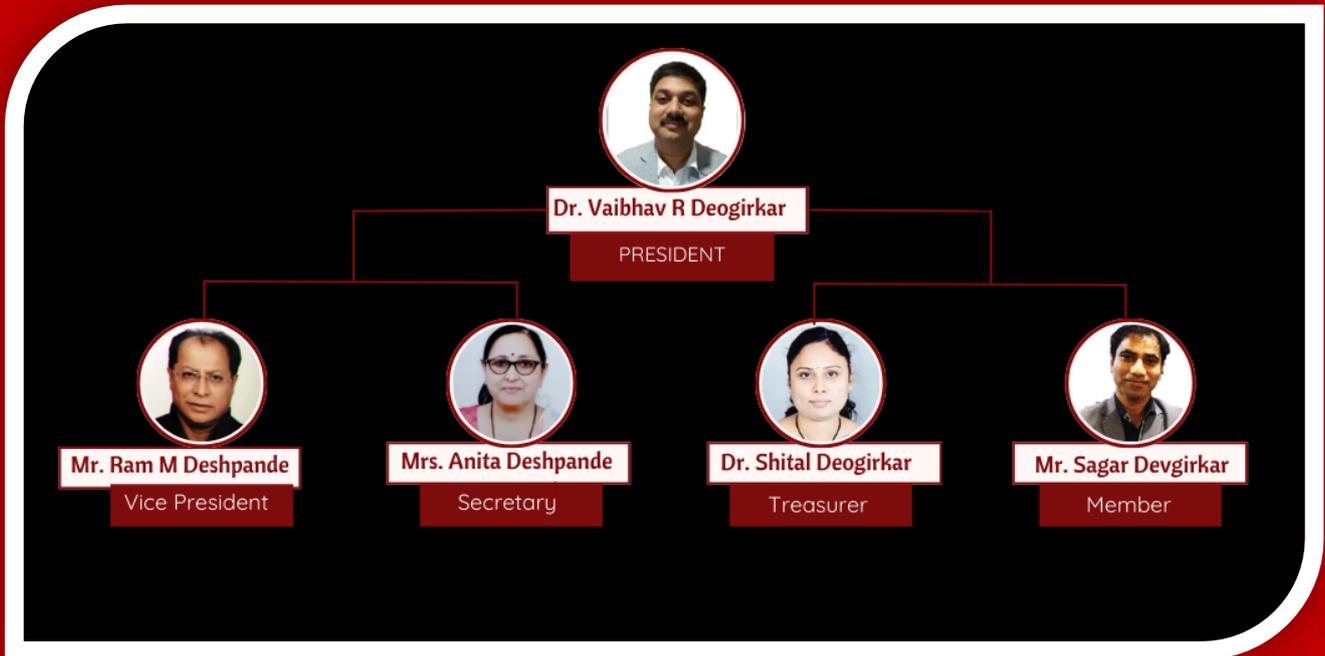

As we look back on our journey and plan for the road ahead, we are grateful for the trust and support we have received. We invite you to **join hands with us** as we continue to uplift lives, empower communities, and work towards a healthier, more inclusive India.

INTRODUCTION At Dev Desh Vaidyakiya Shaikshanic Samajik Pratishthan, we are dedicated to building a healthier, more inclusive India by providing accessible healthcare, education, and social welfare to underserved communities. Guided by our vision, "Argyanmaye Rashtrasathi Samarpit" (Dedicated to a Healthy Nation), we empower marginalized groups through innovative programs and partnerships. Explore our key initiatives and research contributions below.

ORGANIZATIONAL STRUCTURE (BOARD MEMBERS)

OUR FOCUS AREAS

MESSAGE FROM THE PRESIDENT

Dr. Vaibhav R. Deogirkar

At **Dev-Desh Pratishthan (DDP)**, our mission is clear to uplift lives through healthcare, education, and empowerment. Since our inception in 2010, we have worked tirelessly to reach the unreached, driven by compassion, innovation, and collective action.

Our **Basic Life Support (BLS)** training equips communities to respond in emergencies. Through **Dhammguru Arogya**, we deliver preventive and curative healthcare in rural areas. With **Cancer-Free India**, we provide awareness and early detection, while **Mission Free Cataract** helps elderly citizens regain vision and dignity.

We believe in empowering others too. By mentoring small NGOs, we strengthen the sector as a whole. Our upcoming empanelment with **TISS** marks a milestone, enhancing our credibility and collaborative potential.

As we step into **DDP 2.0**, I thank all our supporters. Your trust fuels our journey to turn compassion into action and create lasting impact.

Warm regards,

Dr. Vaibhav R. Deogirkar

President, Dev-Desh Pratishthan

PROGRAMS AND IMPACT

- **HEALTH INITIATIVES**

Free Bone Calcium Test For Women

On the occasion of International Women's Day, Dev-Desh Pratishthan organized a free bone calcium testing camp exclusively for women on **6th March 2021**. The camp aimed to raise awareness about bone health and calcium deficiency, especially among rural and underserved women.

Over 96+ **women** benefited from free Bone Mineral Density (BMD) tests, health consultations, and dietary guidance. This initiative promoted early detection and encouraged women to take charge of their health.

Free Medical Health Camp at Virar (East)

In December 2011, Dev-Desh Pratishthan organized a **free medical health camp** at **Virar (East)** to provide essential healthcare services to the underprivileged. The camp offered **general health check-ups, basic diagnostics, and doctor consultations** to local residents, aiming to improve community health and promote early diagnosis.

- **EDUCATION SUPPORT**

Educational Support for BPL Students and School Health Check-ups

Under our Education and Child Welfare initiatives, Dev-Desh Pratishthan has provided school fee assistance to students from Below Poverty Line (BPL) families, ensuring that financial hardship does not interrupt their education.

In addition, we organized free medical check-ups in schools to monitor and support the health and well-being of students. These efforts aim to create a healthy and inclusive learning environment, helping children stay in school and thrive both academically and physically.

● WOMEN EMPOWERMENT

Diya Distribution and Social Initiative by Differently-Abled Artisans

In November 2020, Dev-Desh Pratishthan collaborated with The National Association of Disabled Enterprises to support differently-abled artisans through a Diya (lamp) distribution drive.

Handcrafted by specially-abled individuals, the diyas were promoted and distributed as part of a larger social awareness and inclusion initiative. This effort not only celebrated their skills but also provided livelihood support and encouraged public participation in empowering the differently-abled community.

The initiative reinforced our commitment to inclusive development and social entrepreneurship.

- **COMMUNITY WELFARE**

Social Initiative and Support for Orphan Children at Aadhaar Tirth Ashram – January 2021

In January 2021, Dev-Desh Pratishthan conducted a social outreach program for the orphaned children residing at Aadhaar Tirth Ashram. The initiative included the distribution of essential items, educational materials, and recreational support, aiming to bring joy, care, and a sense of belonging to these children.

This activity reflected our commitment to supporting vulnerable and underprivileged children through compassion and community engagement.

Free Medicine Distribution during Shri Sai Palkhi Procession – April 2022

Location: Bhattwadi Sai Darshan Seva Sanstha (Regd.), Ghatkopar (West), Mumbai

In April 2022, Dev-Desh Pratishthan organized a free medicine distribution drive during the Shri Sai Palkhi Padayatra held at Bhattwadi Sai Darshan Seva Sanstha, Ghatkopar (West), Mumbai.

This initiative supported pilgrims and devotees participating in the procession by providing essential medicines and first aid, ensuring their health and safety throughout the spiritual journey.

IMPACT SNAPSHOT – EDUCATION & HEALTH INITIATIVES

Empowering Communities | Supporting the Underserved

Education Support

105+ BPL Students received full or partial school and college fee assistance, helping them stay in school and build a brighter future.

Learning Essentials for All

Distributed **educational kits, notebooks, and stationery** to **96+ children** in underprivileged communities to support continued learning.

Healthcare at the Doorstep

Organized free medical camps and distributed essential medicines to over 252+ beneficiaries, ensuring access to primary healthcare in need-based areas.

Partnering for Greater Impact

Provided resources and collaborative support to 143+ grassroots NGOs and mandals, strengthening their capacity and reach.

Together, We Create Change

These efforts reflect our deep commitment to education, healthcare, and community collaboration transforming lives through action, empathy, and empowerment.
