

# ANNUAL REPORT 2023-24

## DEV DESH PRATISHTHAN

Dedicated Towards Healthy Nation

# ABOUT US

## A Brief Story About The Dev-Desh Pratishthan

Dev-Desh Pratishthan, founded in 2010 by Dr. Vaibhav Rameshrao Deogirkar, is a registered public trust under the Trust Act of 1950, dedicated to empowering underserved communities through impactful work in education, healthcare, and holistic rural development. Headquartered in Mumbai, the foundation was established with a clear mission: to ensure that basic human rights such as access to quality education, timely healthcare, and social support are available to all, regardless of economic or social background.

# VISION

Dev Desh Pratishthan envisions a healthy, educated, and empowered India where individuals and communities thrive with dignity, and every citizen has equal access to opportunities for growth and well-being.

# MISSION

01

Ensure access to quality healthcare for all, especially vulnerable and underserved communities.

02

Promote inclusive education by supporting students and schools in marginalized areas.

03

Strengthen essential services and infrastructure in rural, tribal, and low-income settlements.

04

Create sustainable livelihood opportunities that empower individuals and build resilient communities.

# OUR APPROACH

## 01 Community-First Focus

We prioritize the needs of local communities, ensuring our programs are relevant, inclusive, and culturally sensitive.

## 02 Collaborative Partnerships

We work closely with grassroots organizations, healthcare professionals, educators, volunteers, and donors to amplify impact.

## 03 Empathy-Driven Action

Compassion is at the heart of everything we do—our initiatives are designed to serve with dignity and respect.

## 04 Sustainable Change

With over a decade of experience, we aim to build long-term solutions that foster health, education, and resilience in underserved communities.

# OUR FOCUS AREAS

## Education Empowerment

Education is at the core of our mission. We believe that knowledge is the foundation of a better future. Our key educational initiatives include:

- Financial support for students through school and college fee assistance.
- Distribution of educational materials such as school bags, books, uniforms, and stationery.
- School renovation and infrastructure improvement including classrooms, sanitation facilities, and learning spaces.
- Learning support programs like tutoring, workshops, and extracurricular activities to improve academic engagement.

## Healthcare & Medical Support

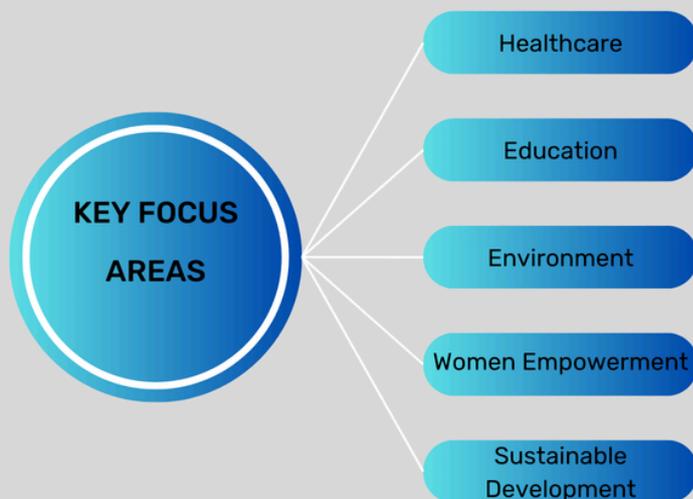

DWe are deeply committed to improving health outcomes in rural and low-income communities. Our healthcare initiatives include:

- Free Medical Camps in remote areas offering check-ups, diagnostics, and medicines.
- Basic Life Support (BLS) Training Sessions for students, teachers, and the general public to empower them with life-saving emergency response skills.
- Distribution of Free Medicines to patients in need, especially for chronic illnesses and post-surgical care.
- Financial Support for Surgeries and Operations, helping patients who cannot afford critical treatments.
- Preventive Healthcare Awareness campaigns focusing on hygiene, nutrition, mental health, and disease prevention.

## Community Welfare & Development

-Empowerment Programs including vocational training, self-help group formation, and awareness drives on health and rights.

- Environmental Conservation Initiatives promoting clean surroundings, tree plantation drives, and sustainability practices.
- Emergency Financial Assistance for families in crisis due to medical emergencies or natural disasters.

# ORGANIZATIONAL PROFILE

## A Story Behind the Registration

Our registrations and certifications aren't just paperwork they are the foundation of trust that allows us to serve communities. Years ago, a young girl named Aarti from a Mumbai slum received free medical care and school support through our programs. Today, she dreams of becoming a nurse. Stories like hers are made possible because our legal compliance enables partnerships, donations, and lasting impact.

## LEGAL AND REGISTRATION DETAILS

This section outlines the official registrations, certifications, and legal identifiers of the organization, confirming its compliance with statutory requirements and eligibility for CSR funding and tax exemptions.

# ORGANIZATIONAL STRUCTURE

- Dr. Vaibhav R. Deogirkar, President

The driving force of Dev-Desh Pratishthan, Dr. Deogirkar blends compassion with vision. Under his leadership, the organization continues to touch countless lives through health, education, and community welfare.

- Mr. Ram M. Deshpande, Vice President

A guiding pillar of wisdom, he strengthens the mission with his experience and ensures that every initiative remains rooted in service to society.

- Mrs. Anita Deshpande, Secretary

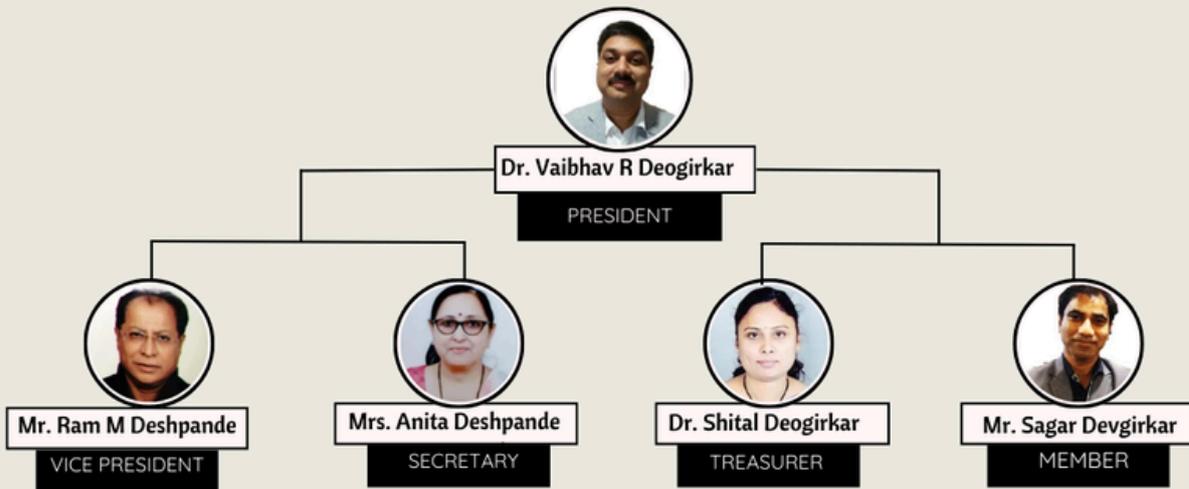

The heartbeat of coordination, she connects people, ideas, and actions, ensuring that programs run smoothly and reach those who need them most.

- Dr. Shital Deogirkar, Treasurer

With dedication and integrity, she carefully manages resources, making sure that every contribution is transformed into meaningful change on the ground.

- Mr. Sagar Deogirkar, Member

Energetic and deeply committed, he brings passion to community outreach, making a real difference at the grassroots level.

# FY 2023-24 OF DEV-DESH PRATISHTHAN

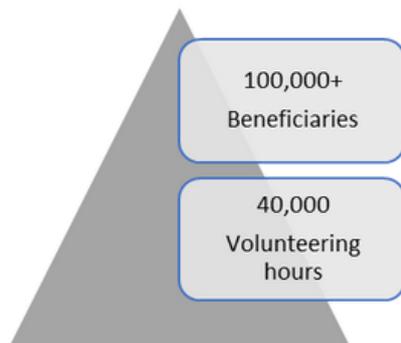

It is with great humility and a deep sense of responsibility that I present the Annual Report for FY 2023–24 of Dev-Desh Pratishthan.

Established in 2010 by Dr. Vaibhav R. Deogirkar, Dev-Desh Pratishthan is a registered public trust under the Trust Act of 1950. Since its inception, the organization has been committed to addressing social challenges through innovative, inclusive, and sustainable development programs.

This year's report highlights our continued efforts in the areas of education, healthcare, rural development, and social empowerment. Our initiatives are shaped by a people-first approach, grounded in compassion, and strengthened through partnerships with communities, governments, and like minded organizations.

We remain steadfast in our mission to create positive, lasting change in the lives of those we serve.

## AT A GLANCE: FY 2021-24 IMPACT

# PROGRAMS AND IMPACT

## HEALING HANDS, HEALTHY COMMUNITIES Annual Health Impact Report | 2023-24

At Dev-Desh Pratishthan, we believe healthcare is not a privilege it is a shared right. In 2023-24, our mission to deliver inclusive and compassionate healthcare expanded across Maharashtra, from dense urban slums to the most remote tribal villages. We conducted over 500 free health outreach programs, including camps, awareness drives, and school-based interventions tailored to local needs. Children benefited from vision and dental check-ups and nutritional guidance, while youth engaged in sessions on mental health and hygiene. Thousands of families gained access to maternal care, immunization awareness, and basic treatments. Our efforts went beyond diagnosis, with critical follow-up support such as free surgeries, medicine distribution, and hospital referrals, ensuring continuity of care. These initiatives strengthened preventive health awareness, improved hygiene practices, and enhanced healthcare linkages in underserved regions turning each effort into a step toward a healthier, more equitable society.

From doorstep screenings to lifesaving treatments, every health initiative carried the power of dignity and hope. Local volunteers, doctors, and partners came together to build bridges of trust between communities and care. We adapted our outreach for diverse cultural and geographical needs, ensuring no one was left behind. Above all, this year reaffirmed our belief that collective compassion can heal far beyond medicine.

# PROGRAMS AND IMPACT

## EDUCATION SUPPORT

Lighting the Path of Learning | 2023-24

At Dev-Desh Pratishthan, we believe that education is not just a right it's a launchpad for dreams. In 2023-24, our Education Support initiatives empowered hundreds of underprivileged children to learn, grow, and thrive, regardless of financial barriers. For many families living Below the Poverty Line (BPL), school fees often become a burden that leads to interrupted education or dropouts. Through our School Fee Assistance Program, we supported over 310 students, enabling them to remain enrolled and continue their studies with dignity and hope. Recognizing that the right tools and environment can transform learning, we distributed educational kits including notebooks, stationery, uniforms, and school bags to students across 61 schools. Additionally, we renovated more than 15 government and rural schools, creating safer, brighter, and more engaging spaces for learning. Understanding that good health is essential for academic success, we also conducted over 500 school health camps offering general check-ups, eye and dental screenings, and referrals for further care. These efforts ensured early detection of health issues, reduced absenteeism, and enhanced student concentration in the classroom. Through these holistic interventions, we continue to light the path of learning for children who deserve every opportunity to succeed.

# PROGRAMS AND IMPACT

## BASIC LIFE SUPPORT (BLS) TRAINING

### Saving Lives Through Knowledge | 2023-24

Every second counts during a life-threatening emergency, and at Dev-Desh Pratishthan, we believe that life-saving skills shouldn't be confined to hospitals they should be in the hands of everyday people. In 2023-24, we conducted over 500 Basic Life Support (BLS) training sessions across Maharashtra, reaching communities, schools, colleges, and public spaces. Through 540+ interactive sessions, participants were trained to respond effectively to emergencies such as cardiac arrest, choking, and accidents. The sessions included hands-on demonstrations of CPR (Cardiopulmonary Resuscitation), recovery positions, and basic first aid using mannequins, anatomical models, and real-life simulations to ensure practical and impactful learning. The program engaged a wide range of participants, including students, teachers, parents, youth, and community members empowering them with the confidence and skills to act swiftly in critical situations. BLS knowledge equips ordinary citizens to bridge the gap before professional medical help arrives, dramatically increasing the chances of survival. By training thousands of individuals, the initiative not only enhanced emergency preparedness but also promoted a culture of safety and responsibility, making both urban and rural communities more resilient. In total, over 320 of these sessions were conducted in educational and community settings, creating a growing network of trained lifesavers and contributing to a safer, more responsive society.

# PROGRAMS AND IMPACT

## COMMUNITY WELFARE

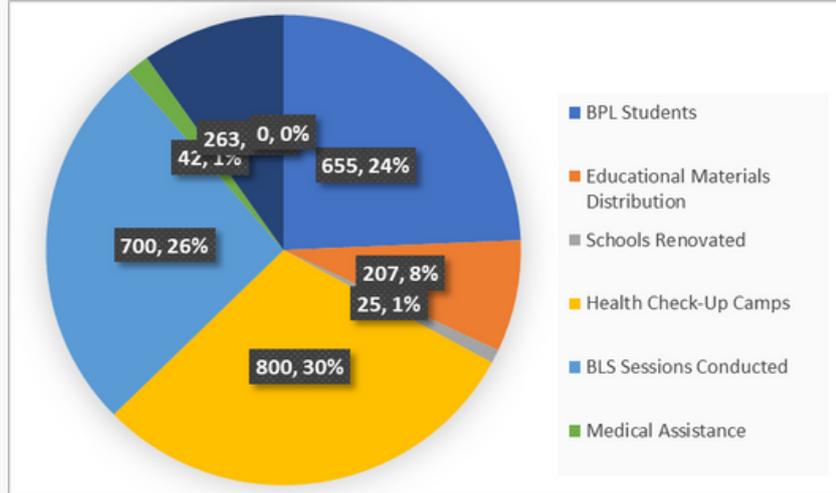

### Extending Care Beyond Boundaries | 2023-24

At Dev-Desh Pratishthan, our vision of service extends far beyond classrooms and hospitals it reaches into the heart of communities that are often overlooked. In 2023-24, our Community Welfare initiatives touched the lives of orphaned children, vulnerable families, grassroots NGOs, and local social institutions across Maharashtra. We supported orphan ashrams, community-based projects, and various humanitarian causes by distributing essential items such as food supplies, educational materials, clothing, and health kits. Beyond providing direct aid, we contributed to the maintenance and improvement of community spaces, transforming them into safer, more welcoming environments for learning, support, and togetherness. These efforts helped foster a strong sense of care, inclusion, and dignity among the people we serve. Whether bringing smiles to children in care homes, strengthening the work of small NGOs, or helping marginalized families face everyday challenges, we approached every initiative with compassion and a deep commitment to long-term community resilience. By combining resources with empathy and engaging closely with local needs, we continue to build stronger, healthier, and more connected communities one step at a time.

# GRAND TOTALS (WHERE APPLICABLE) | 2021-2024

The pie chart presents a snapshot of Dev-Desh Pratishthan’s cumulative impact from 2021 to 2024. Over this period, the organization conducted over 800 health check-up camps and 700 Basic Life Support (BLS) training sessions, marking healthcare and emergency preparedness as major focus areas. In education, 655+ BPL students received fee assistance, 207+ schools or communities received educational materials, and 25+ schools were renovated to improve learning environments. Additionally, 42 individuals received direct medical help, and 263+ NGOs and mandals were supported under community welfare initiatives. Altogether, these efforts contributed to positively impacting over 100,000 lives across Maharashtra.

Category	Total (2021-24)
BPL Students (Fee Assistance)	655+ students
Educational Materials Distribution	207+ communities/school
Schools Renovated	25+ schools
Health Check-Up Camps	800+ camps
BLS Sessions Conducted	700+ sessions
Medical Assistance	42+ patients supported
NGOs/Mandals Supported	263+ organizations
Total Beneficiaries Reached	100,000+ people

## Educational Impact Summary | 2023-24

In 2023-24, Dev-Desh Pratishthan strengthened its commitment to inclusive education by supporting over 310 students from Below Poverty Line (BPL) families with school fee assistance. Educational kits were distributed in more than 61 schools, and 15 schools were renovated to improve learning environments. Additionally, 500+ school health camps ensured that children received timely health check-ups, helping them stay healthy and focused on their studies. These efforts collectively promoted access, retention, and overall well-being of students in underserved communities.

## Educational Impact at a Glance | 2023-24

# MEDIA COVERAGE

Dev-Desh Pratishtan's impactful initiatives across health, education, and community development have been widely recognized in the media. Our work has been featured in regional newspapers, digital platforms, and local news channels, highlighting success stories from tribal villages, urban slums, and schools across Maharashtra. From large scale health camps and school renovations to life-saving BLS trainings and grassroots partnerships, the media has played a key role in amplifying our mission and inspiring public engagement. This growing visibility not only validates our efforts but also strengthens our reach, helping us connect with more donors, volunteers, and partners committed to social change.

We thank the media for being a partner between our work and the world.

# FORGING & STRENGTHENING PARTNERSHIP

The world today needs more cooperation as collectively we can solve bigger problems . Partnerships are crucial pieces to induce cooperation . Based on the foundation of trust , partnerships propagate the sharing of resources, information and solutions which enhance the impact created . Dev Desh Pratishthan , with its vision to support the culture of giving , thrives on such partnerships. We have been engaged in creating collaborations and supporting our partners in achieving mutual goals . Some of such partnerships of this year have been illustrated below.
